

Meeting commenced at 11:15 am, July 24, 2011.

Minutes from previous meeting were approved.

5th Sunday Women's Group Coffee Hour Fundraiser:

It was agreed that because of the unavailability of the kitchen due to the Community Dinner, all foods would be brought prepared and set up on tables outside; to consist of donated quiches and fruit displays. Monica to coordinate.

Kitchen Work Day

The Kitchen work day was completed except for the freezer which needs to be de-frosted before cleaning. It was agreed that throughout August the freezer would be emptied of items as much as possible. It was suggested that a sign be placed on the door asking that people use the food inside. Work day to be set at the next meeting. If the freezer is not emptied before the work day, items will be moved to the barn freezer in the interim.

Flea Market

Advertisements have been placed online and in the local news papers, however, only 5 people have signed up so far. Linda will do additional sign-ups next Sunday during coffee hour. Monica volunteered to make posters.

Coffee Pots

The kitchen coffee pots no longer work for coffee or hot water. Ginny will research and purchase two commercial coffee pots in time for the Women's Coffee Hour Fundraiser next Sunday, July 31.

Meeting adjourned at 11:40 am.
