- **Tom Lindsey** let us know that there is money set aside for the Kitchen to be remodeled. It will be a number of years until we can knock-down and rebuild the Fellowship Hall. Dn. Dave has suggested we convert our kitchen to a Commercial Kitchen as a way to generate income for the church. The Women's Group supports this idea. We were asked to list what we would want in the new kitchen:

New Floor/Sub-Floor

New locking cabinets

Commercial Dishwasher

Ice machine

Windows that open and have curtains/shades

Ventilation

Stove/Oven deep clean

Stainless steel countertops in Kitchen and prep area

Nice surface countertop in the service window that doesn't need potholders

Washer/dryer

New kitchen grade pots/pans/utensils

Utility closet moved out of kitchen so space can be used for kitchen

Compost system

Energy Star fridge and freezer with glass doors

A person that is solely in charge of deposits/ check-outs/ins and inventory
